- Ensure that conveyor belts are not operated with "No go" defects.
- Coaching of new belt employees
- Over-inspection on the conveyor belt installations
- Ensure that conveyor belts are not operated with spillage.
- Ensure that subordinates comply with lock-out procedures before conducting cleaning of spillage or unblocking the chutes.
- Ensure that key control procedure is complied with by the subordinate.
- Ensure that fire suppression and extinguishing is available and inspected before belts are operated.
- Assist during scheduled maintenance and fixing deviations reported on the belt.
- Ensure the PPE of the subordinates is appropriate for working close to moving machinery.
- Ensure no conveyor belt guards are removed before the belt is locked out.
- Ensure that all the belt attendants are authorised to conduct work on the belt.
- Submit reports as required.

TERMS & CONDITIONS

The successful candidate will be appointed on the condition of being certified medically fit as per the Mine Health and Safety Act 29/1996. Applicants must be prepared to undergo certain job-related assessments, if required as part of the selection process. Credit, criminal and reference checks may be done by the Mine if deemed necessary.

Interested applicants are requested to submit their CV's with certified copies of their Qualifications to:

RecruitmentMER@trp.co.za

Designated groups will receive preference and in making a final selection, consideration will be given to achieving the Mining Charter as well as the TRP Employment Equity Plan.

Please be advised that:

- Late applications will not be entertained.
- Only applicants meeting the minimum requirements will be considered.
- If you have not been contacted within three (3) weeks after the closing date, please consider your application to be unsuccessful.
- Correspondence will be limited to shortlisted applicants.
- Two Rivers Platinum reserves the right not to appoint.
