WORK DESCRIPTION

The VOHE Leader has a legal accountability in terms of Section 12.1 of the Mine Health and Safety Act, and is responsible for managing and co-ordinating the overall Ventilation and Occupational Hygiene systems, programmes and department, as well as providing the Business Unit with specialist Ventilation and Occupational Hygiene services and expertise, to ensure a safe and healthy work environment and to minimise pure risk litigation and adverse publicity.

CLOSING DATE

The closing date for all applications is 26 January 2025.

TERMS AND CONDITIONS

The successful candidate will be appointed on the condition of being certified medically fit as per the Mine Health and Safety Act 29/1996. Applicants must be prepared to undergo certain job related assessments, if required as part of the selection process.

Please note that proof of educational qualifications (certified copies) should be attached to the applications. Application without these attachments will not be taken into consideration for this position. In the event that you do not hear from the Company within a period of 21 days after the closing date, your application shall be deemed to be unsuccessful. Correspondence will only be limited to shortlisted candidates.

EQUITY STATEMENT

Preference will be given to suitably qualified applicants from designated groups in line with the Employment Equity Plan and targets of the organisation. **First preference will be given to women.**
