REQUIREMENTS

- Degree or B-Tech in Mining / Survey / Geology or Rock Engineering at NQF Level 6.
- Registration as a competent person at the relevant recognised institution as per SAMREC recommendation (PLATO).
- Minimum 10 years mining technical services industry experience, of which 5 years should have been in a managerial position.
- Experience in Project Management and Mine Resource Planning within a mining operation.
- Good knowledge of relevant simulation software (MicroStation, GMSI Pegs, CADS Mine, MRM Suite, Microsoft Office).
- Computer literate.
- Adequate presentation and communication skills.
- Valid driver's license.
- Valid certificate of fitness (Red Ticket).
- Ability to communicate, motivate and build relationships at all levels within the organization and with other relevant key stakeholders, e.g. JV partners, DMR, community leaders, etc.

APPLICATIONS

Interested applicants are requested to submit their CV's with Certified copies of qualifications to:

Email: gerrit.brits2@angloamerican.com

DUTIES AND RESPONSIBILITIES

- Overseeing all technical services work for the effective functioning of the department.
- Provide expert technical support during technical services project execution. Meet changing needs and requirements
- Optimise the function's core internal processes and internal supply chain through continuous improvement.
- Resolve cross-function operating conflicts through the development of processes, standards and directives.
- Ensure that the mine's SHERQ policy, rules and regulations are complied with throughout the area of responsibility.
- Evaluate through a series of analysis negative trends both systems/ process and people related and introduce remedial solutions.
- Remain up to date with macro and micro-economic conditions, legislation, competition, market sentiment and the industry in general.
- The role is accountable for the performance of Technical Services covering Geology, Survey, Rock Engineering, Mine Planning, Valuation, Occupational Hygiene and Environment.
- Translate technical information into business plans and business proposals.
- Monitor the current business unit performances and ore-reserve depletion rates.
- Departmental Performance Management.

PACKAGE

The package will be in accordance with the Modikwa package schedules.

CLOSING DATE

The closing date for all applications is 03 October 2025.

TERMS AND CONDITIONS

The successful candidate will be appointed on the condition of being certified medically fit as per the Mine Health and Safety Act 29/1996. Applicants must be prepared to undergo certain job related assessments, if required as part of the selection process.

Please note that proof of educational qualifications (certified copies) should be attached to the applications. Application without these attachments will not be taken into consideration for this position. In the event that you do not hear from the Company within a period of 21 days after the closing date, your application shall be deemed to be unsuccessful. Correspondence will only be limited to shortlisted candidates.

EQUITY STATEMENT

Preference will be given to suitably qualified applicants from designated groups in line with the Employment Equity Plan and targets of the organisation. **First preference will be given to women.**
