

## BUSINESS AREA LEADER - LOGISTICS – E LOWER

### INTERNAL/EXTERNAL

Applications are invited from suitably qualified and experienced persons for the position of Business Area Leader – Logistics – (Senior Engineering Manager) at Modikwa Platinum Mine. The incumbent will report to the Business Leader (General Manager) and will be appointed in line with the requirements of the Mine Health and Safety Act.

#### REQUIREMENTS

- Degree or National Higher Diploma in Mechanical or Electrical Engineering (NQF Level 6).
- Relevant experience as a 2.13.1 appointment.
- Government Certificate of Competence (GCC) – Mines and Works (mandatory).
- A Business and/or Management qualification will be advantageous.
- Minimum of 10 years' experience in the mining industry, with at least 5 years in a managerial or leadership role.
- Sound understanding and practical experience in asset management principles, including maintenance and reliability engineering on mining and associated equipment, aligned with relevant operational and maintenance philosophies and standards.
- Proven Project Management experience within a mining or heavy industrial environment.
- Strong working knowledge of Computerized Maintenance Management Systems (CMMS).
- Good understanding of environmental legislation applicable to mining operations.
- Computer literate, with proficiency in standard business and engineering software.
- Excellent communication skills, with the ability to clearly convey technical and operational information, influence stakeholders, and engage effectively at all organizational levels.
- Proven ability to lead, motivate, and build strong relationships with internal teams and external stakeholders, including JV partners, the Department of Mineral Resources (DMR), community leaders, contractors, and suppliers.
- Strong interpersonal, negotiation, and stakeholder management skills.
- Valid drivers license.
- Valid certificate of fitness (Red Ticket).

#### APPLICATIONS

Interested applicants are requested to submit their CV's with certified copies of qualifications to: Email: [gerrit.brits2@Modikwa.co.za](mailto:gerrit.brits2@Modikwa.co.za)

#### CLOSING DATE

The closing date for all applications is 24 April 2026.

#### DUTIES AND RESPONSIBILITIES

The purpose of the position is to head the engineering department and ensure legal compliance, provide and create an engineering and maintenance strategy whilst ensuring effective asset management for the mine.

Overseeing all engineering work for the effective functioning of operations, shafts, plants and surface infrastructure.

Provide expert technical support during engineering project execution, task and CI initiatives to maintain high standards. Meet changing needs and requirements.

Optimise the function's core internal processes and internal supply chain through continuous improvement.

Resolve cross-function operating conflicts through the development of processes, standards and directives.

Ensure that the mine's SHERQ policy, rules and regulations are complied with throughout the area of responsibility.

Evaluate through a series of analysis negative trends both equipment and people related and introduce remedial solutions.

Remain up to date with macro and micro-economic conditions, legislation, competition, market sentiment and the industry in general.

Designing and redesigning systems that have chronic failures in order to ensure business improvement.

Continuously implement breakthrough projects and fatal risk protocols.

Ensuring the maintenance of equipment to the required standards.

Ensuring that operating and maintenance procedures are in place and adhered to.

Put planned maintenance strategy in place and ensure implementation thereof.

Support operational teams in the application and maintenance of the mechanization and automation machinery fleets.

#### PACKAGE

The package will be in accordance with the Modikwa package schedules.

#### TERMS AND CONDITIONS

The successful candidate will be appointed on the condition of being certified medically fit as per the Mine Health and Safety Act 29/1996. Applicants must be prepared to undergo certain job related assessments, if required as part of the selection process.

Please note that proof of educational qualifications (certified copies) should be attached to the applications. Application without these attachments will not be taken into consideration for this position. In the event that you do not hear from the Company within a period of 21 days after the closing date, your application shall be deemed to be unsuccessful. Correspondence will only be limited to shortlisted candidates.

#### EQUITY STATEMENT

Preference will be given to suitably qualified applicants from designated groups in line with the Employment Equity Plan and targets of the organisation. **First preference will be given to women.**
